

Protect your real estate purchase and avoid surprises at closing

Take control of currency fluctuation by locking in future exchange rates

Real Estate investments are stressful enough without currency rate fluctuations.

MexEdge locks in the exchange rate at the start of your real estate purchase so you can budget the exact cost, regardless of future rate changes.

Rates can change quickly, dramatically impacting your final cost.

Build your future with confidence by using MexEdge to remove the currency risk upfront.

"The peso was at 18 when I signed my contract and 17 when I closed. Locking in with MexEdge saved me \$24,875!"
