INTRODUCTION

A TEDx speaker, book publisher of over 300 authors, International FM Radio Host and guest, and Podcast host and guest. Julie Ann is a sought-after voice on international TV, radio, and podcasts. Her magnetic presence challenges the status quo and empowers others to embrace freedom, sustainability, and purpose.

As the **"Curator of Consciousness,"** she helps visionaries step into their highest expression and birth their soul story into the world.

Julie Ann, is known as the **"Off-Grid Oracle,"** and shares her wisdom from living off-grid in Pacific Mexico and her transformative "Seven Year Journey Around the World - A Life Changing Journey" Best Selling Book. She inspires conscious entrepreneurs to redefine success, monetize their wisdom, and build businesses that create impact outside the system. Beyond self-reliance on power, water, and government structures, she explores what it means to live a truly abundant, sovereign life.
